DETAILED ACTION

This office action is in response to the request for continued examination, the information disclosure statement and the amendment filed October 11, 2005.

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on October 11, 2005 has been entered.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on October 11, 2005 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Response to Amendment

The amendment of claim 32 is sufficient to overcome the rejection of claims 21-24, 27 and 29-35 under 35 U.S.C. 112, first paragraph stated in the previous office action. Therefore, this rejection is withdrawn.

The limitations added to claim 32 are sufficient to overcome the Inohara et al. (US 5,976,972) reference either alone or in combination. Therefore, the rejections of claims 21-24, 27 and 29-35 under 35 U.S.C. 102(e) are hereby withdrawn.

Allowable Subject Matter

Claims 21-24, 27 and 29-35 are allowed.

The following is an examiner's statement of reasons for allowance:

The primary reasons for the allowance of claims 21-24, 27 and 29-35 is the inclusion therein, in combination as currently claimed, of the limitations of forming the line and via such that the bottom of the line and the upper portion of the via is contacted by the fluorine containing insulating layer and the line has a height that is less than the overall height of the fluorine containing insulating layer. These limitations were found in claims 21-24, 27 and 29-35 and are neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
